

# TSI APAC Hub Announces Partnership With ClearOne

October 5, 2021

TSI APAC Hub powered by USAV a division of PSA Security Network ([www.tsiapac-hub.net](http://www.tsiapac-hub.net)), builds a group of independent dealers, contractors and integrators, working in electronic security, building automation, custom electronics, today is proud to announce ClearOne partnership.

"TSI APAC Hub is excited to have ClearOne to the technology partners network group as a signature sponsor to support the connection of systems integrators and technology partners across the Asia Pacific, Middle East & Africa " said TSI's Director, Andy Tan, CTS.

"ClearOne is proud to join the TSI APAC Hub as a Signature Sponsor," said ClearOne Associate Vice President of EMEAIO Sales & Global Alliances Griffiths Zachariah. "Hub partners, as well as their end-user customers, only deserve the most complete range of the most innovative solutions across all product categories. Solutions that deliver cost-effective feature-rich high-performance value that is scalable and backed by regional-based 24/7 customer support. ClearOne offers all of this with an integrated portfolio of natively optimized professional audio, video, collaboration, and streaming solutions that have long been recognized and trusted by Fortune 1000 decision-makers for decades. We look forward to making our solutions available to the Hub's network of independent dealers, contractors, and integrators."
